Lloyd R. Richart, formerly secretary of the St. Louis Browns, may be elected president of the Federal league. Rick-art is regarded as the man best no-quainted with the handling of the league and for that reason it is on the

books for him to succeed John T Fowers, the president at an early date. It has been decided to grant the Covington franchise to Kaneas City.

Rube Schauer, the Northern leaguer,
whom McGraw paid \$10,000, is dragging
down the monthly stipend of \$50, as a
member of the Superior, Wis, club.
This is the amount stipulated in the
contract to which Schauer affixed his
name several months back. Schauer
attempted to member a berth on another
Northern league club four months ago,
but was turned back because he could
not pay his own training camp expenses.

Several prominent heavyweights have wired matchmaker Eddie Pitts, of the Denver Athletic club, for a bout with the winner of the Cari Morris-Jack Geyer bout at that city on July 2. Among the men are: Jess Willard, Soldier Kearns, Jim Coffey and Gunboat Smith. Jim Buckley, manager of Gunboat is particularly anxious to secure a bout.

Jimmy Callahan, manager of the Chicago White Sox, has opened negotiations with the Milwankee Brewers for outfielder Chappelle. Callahan fatled in his mission several days ago, being unable to locate Mrs. Agues

HE artillery of the Phillies has evidently run out of ammunition. It was not on the job against the Dodgers in the recent series. Cravath dign't get a hit in either of the double headers, while Lauderus got three altogether.

Jess Willard and Charlie Miller are booked to meet in a 10 round bout at Reng. New., on July 4. Fight critics opins that Harry Deli will win the referee's decision in his bout with Benny Chavez at Trinidad, on July 4. Deli is fast, clever and posessed with a knocknot number.

Carl Cashion, Griffith's best bet in rookie twirlers, will soon be ready to take his regular turn in the box. His unavailability this season after a brilliant season last year, has handicapped the Senators.

Marty O'Toole is a vastly improved pitcher. Marty now looks like a real \$22,500 parcel and he has been pitching sensational ball of late. He always had a variety of baffling shoots, but loss of centrol rulned his games.

"Wildcat" Ferns, the Kansas City wrestler, has arrived in New Orleans for his scrap with Young Denny on July 4. Bobble Dibbons, the English paperweight, who is booked to meet Rid Herman and Frankis Whitney, the fighting carpenter who will meet Joe Thomas have been in training for several days.

MORRIS-GEYER WILL FIGHT
AT DENVER ON HILY 3
Denver, Colo, July 1.—The date of the Morris-Geyer heavyweight bout, originally scheduled to be held at the stock yards stadium on July 4, has been changed to the night of July 3. The change in dates was made at the request of a large delegation of Denver fight fams, who elect to make the trip to Trinidad to witness the Chavez-Dell fight on the afternoon of the Fourth and also on account of the 20-reind bout at Pueblo on the same afternoon between Eddie Johnson and Bobby Waugh.

He had a verbal battle with Bresnahim, and when Evers butted in, Heine went to opped home. The next day he apolicited profusely and made three long hits, winning the only game the Cuba copped here. All this was properly promulgated and the fans were alive to everything Heine Zim did in the most game. They watched his every move.
